

Fiske 2017 Fall Enrichment Afterschool

Home Alone Safety Workshop

#422501

(Grade 4-5)

Instructor: Juanita Allen Kingsley

Children will learn telephone and door answering techniques, internet safety, accident and fire protection and first aid techniques. The class includes a variety of teaching methods, including a video and role playing. Please bring a snack

1 Day

Min: 6 /Max: 15

S#	Grade	Day	Times	Date	Price
03	4-5	Mon	3:05-5:00	12/4	\$65

Art Around the World

#422501

(Grades K-3)

Instructor: Katie Joy

Your child will explore styles and techniques from diverse cultures and time periods, such as Brazilian Folk Art creations, Moroccan textiles and Chinese paper lanterns. Each week, students “travel” from country to country, building an extensive global visual vocabulary. Students will visit landmarks using Google Earth, listen to music, and hear stories from each country we learn about. Get ready to discovery art from around the world!

6 weeks

Min: 6 /Max:10

S#	Grade	Day	Times	Date	Price
05	K-3	Mon	3:05-4:05	10/2-11/13	\$50

(No 10/9)

Drama : Let’s Put on a Show!

#422501

(Grade K-3)

Instructor: Cindy Wright

Children will be given equitable roles in a short play that will be performed on the last day of the session. They will be introduced to some basics of theater and acting and will have costumes and props to help bring their characters and story to life.

6 weeks

Min: 6 /Max: 10

S#	Grade	Day	Times	Date	Price
04	K-3	Tues	3:05-4:05	10/3-11/21	\$60

(No 10/31,11/7)

Scratch

#422501

(Grades 2 - 5)

Instructor: Andrew Bell

In this class, students will be introduced to a variety of programming concepts using Scratch. Scratch is a programming language, created by MIT, that uses blocks to create the code which helps makes programming accessible to all ages. A wide variety of projects can be accomplished using Scratch ranging from science simulations to creating games to interactive stories. Students will get a chance to show off their creativity and problem-solving skills while learning to control a computer. For students that have taken previous Scratch classes, they are encouraged to come again and explore concepts in greater depth.

6 weeks

Min: 6 /Max: 12

S#	Grade	Day	Times	Date	Price
08	2-5	Tues	3:05-4:05	10/3-11/21 (No 10/31,11/7)	\$50

Board Game Club

#422501

(Grades K - 5)

Instructor: Katie Joy

A Strategy Board Game Club will allow students to stay after school and bond with their peers while playing strategic board games. Strategic board games promote learning, unlock thinking skills, and stimulate brain development in children. The games we will be playing promote critical thinking skills and strategy. Kids will learn to play games like Checkers, Chess, Sorry, Connect Four & Battle Ship. I have also picked some cooperative games that promote team building and communication.

6 weeks

Min: 6 /Max: 10

S#	Grade	Day	Times	Date	Price
06	K-5	Thurs	3:05-4:05	10/5-11/16 (No 11/9)	\$50

Fiske Engineers

#422501

(Grades 3 - 5)

Instructor: Andrew Bell

Engineering is a way to create solutions to all kinds of problems. The engineering design process is a method to follow when creating those solutions. In this class, we will use the engineering design process to explore a wide range of engineering types, such as electrical, mechanical, and others. Students will get a chance to exercise their creative thinking and problem solving through hands on activities.

6 weeks

Min: 6 /Max: 12

S#	Grade	Day	Times	Date	Price
07	3-5	Thurs	3:05-4:05	10/5-11/16 (No 11/9)	\$50

Registration Information: **Starts Monday 9/25**

Best way to register for your class is to search by **Activity #**. You may browse our site as a **Guest**, but you won't be able to register for programs unless you Log In. If you haven't registered before, you will have to call (781) 235-2370 and the Recreation Department will create a new account for you.
